National Philanthropy Day

Over 1,000 Atlantans celebrated philanthropy and its role in our community at the 2016 National Philanthropy Day (NPD) Luncheon at the Georgia Aquarium. In 2017, this awards luncheon will again bring together professional and volunteer fundraisers, individual philanthropists, and corporate and foundation grantmakers to celebrate the role of philanthropy and to recognize key individuals who have made an impact on our community. Philanthropist of the Year, Volunteer Fundraiser of the Year, and Teen Volunteer of the Year awards are presented at the luncheon.

Leading up to the event the chapter conducts its **Promoting Philanthropy in the Classroom initiative**. Chapter members visit local elementary schools to engage students in this service learning initiative. Volunteers guide students through an age-appropriate lesson plan centered on the concept that people of all ages, even young children, can give back to their communities through their time, talent and treasure.

Pledges and logos received by Monday, August 21, 2017 will be included in all printed collateral materials.
